# Schoolwide PSA for keeping the school clean

We are doing a schoolwide PSA on keeping the school clean and not vandalizing our area of the school. We are making this PSA to spread awareness for the fact that bathrooms, courtyard, and cafeteria are constantly being closed for cleanup because they are either being vandalized, littered with trash, or used inappropriately by students.

We want to clean up our school so that we won't have to keep on closing them for cleanup, and won't have to worry about those privileges that have been taken away from us. With littering and vandalizing around our school, we are just taking away privileges from ourselves, and that means that we are taking away from others. With people vandalizing and littering our school, it ruins things not just for the few people doing it but for the whole school.

We are going to challenge the school to, if they see something being vandalized, speak up, and also if you see a piece of trash on the ground, pick it up!
