

Kaden Starr's Biopic

BIO INFO

In This chapter you will learn about me,my pets,my family,and what schools I went too.

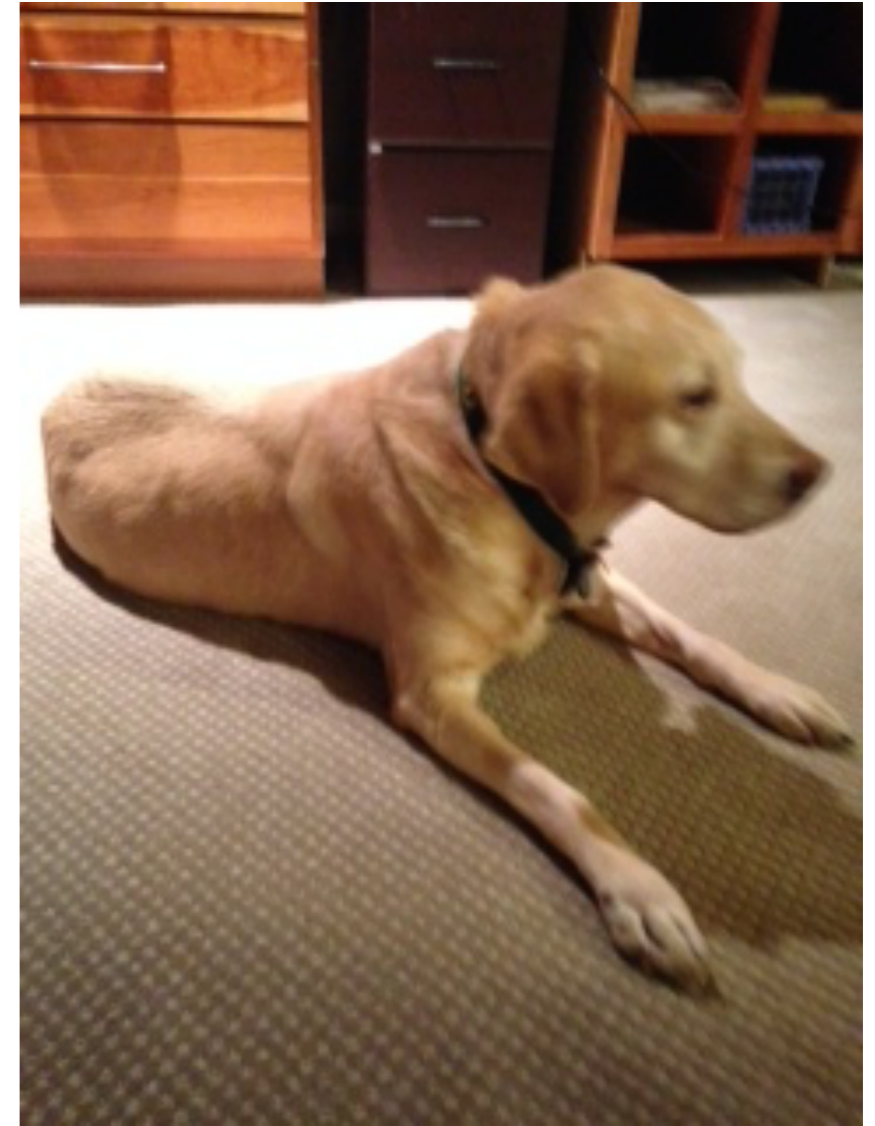

Family

This my family. My Dad Jade, my mom Megan, and my little sister Avary. My sister is 9 years old and goes to Willagillespie and my dad works at Willamette high school and my mom opened her own work. Are two dogs are named Mac and Auzten.

PETS

My dogs are named Mac and Auzten they are named after Mac court and Auzten stadium. We got them before I was born they are brother and sister.

ABOUT ME!

My name is Kaden Starr I was born on February/10/2005 I grew up loving sports mostly baseball I played tee ball when I was three and played other sports later on. Sports helped me in school and making friends but I always liked school it was always very simple for me. I love being outdoors and making stuff with the outdoors. Now you know somethings about me.

SCHOOLS

For school I went to Willagillespie it was so fun and a great start to going into middle school. Willagillespie was a great school that helped me a lot with my extra work credit and advanced math it was a very helpful for future math class. Now I go to Cal young it so cool and a great new start for me.

FAVORITES

In this chapter you will learn about my favorites including food, hobbies, and sports I like to play.

SPORTS

When I was young I loved baseball and still play baseball but it was the first then I started playing basketball and football. Sports have been a big part of my life in making friends and having fun. Sports growing up was the best and I still play all of those sports.

FOODS

Some of my favorite foods are sushi, pizza, soup, salad, and hamburgers. They are very good and filling, and I have always liked those foods.

HOBBIES

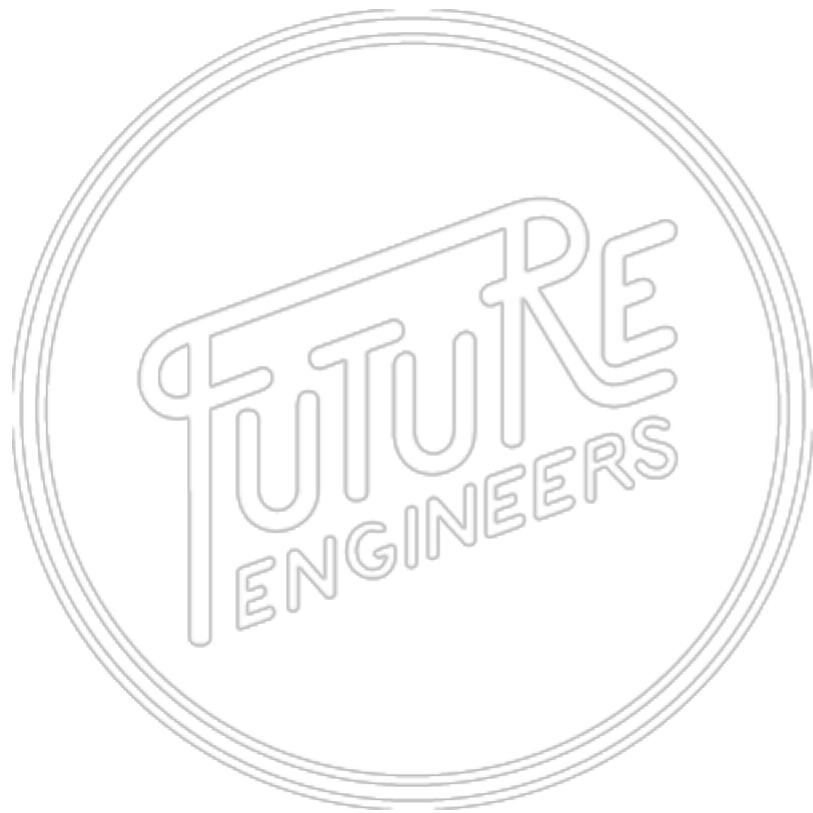

Some of my hobbies are playing sports hiking and being outdoors love being outside it is a place we the air is fresh and and easy to breath and when you reach the top of a hike it is so fun because you just accomplished something very good for you. Those are my favorite hobbies.

CAREER

In this chapter you will learn about my future careers and what I what too do when I grow up for my second choice.

ENGINEER

Not many people new that I want to engineer when I grow up, but when I was young I would all ways like to make new stuff for my parents it was so fun and I want to invent the future I can't wait to grow up and pursue my dreams.

BASEBALL

When I grew up I loved baseball and when i'm in high school I want to play baseball and play collage if I can. Baseball is really fun and great way to have fun growing up I loved it and what they say is Baseball is u.s. pastime.
