## **Messy Courtyard and Cafeteria PSA Script**

**Scene 1. TEXT;** Title Page: Courtyard and Cafeteria mess PSA

**Scene 2. VIDEO;** The mess in the courtyard and cafeteria have been a problem for many years.

**Scene 3. VIDEO;** It takes time to clean up our mess as the students when it's our mess to clean up.

**Scene 4. VIDEO;** Keeping the courtyard clean is important for the school environment, staff, and students.

**Scene 5. VIDEO;** By cleaning up after ourselves we can make less work for the janitors that clean up our messes. Janitors should not be cleaning up lunch messes created by students.

**Scene 6. VIDEO;** (littering and being lazy to get up and throw away their wrappers and trash)

**Scene 8 + 9 . VIDEO;** (kid trying to throw a peice of trash in the trash can and misses and does not pick it up.**TEXT** It doesn't take a lot to get up, walk to a garbage can and throw away your trash.

**Scene 10. TEXT;** It's important to do the right thing and some examples of that are:

**Scene 11. VIDEO;** Someone getting up and throwing away their garbage **TEXT;** Cleaning up after yourself

**Scene 12. VIDEO;** A kid accidentally dropping there garbage and a kid picking it up and throwing it away **TEXT;** Doing what you are supposed to be doing.

**Scene 12a. VIDEO;** a homeroom class cleaning the video **TEXT;** and participating in group activities that benefit the courtyard and cafeteria.

**Scene 13. TEXT;** you can help out by picking up someone else's trash up too

**Scene 14. VIDEO;** FACTS,( your trash can unintentionally harm animals and wildlife because it can be consumed and therefore poison them.

**Scene 14a. VIDEO;** Your trash can also contaminate the water and turn into pollution by falling into water streams and rivers and emptying into the ocean possibly making water unsafe for the plants and animals living in it and around it.

**Scene 14b. VIDEO;** 11.5 billion dollars per year is spent by the US. government to clean up all the trash that is littered.

**Scene 14c.** And also, littering is illegal and you CAN get in big trouble and possibly be fined for it.

**Scene 14d.** Your small actions may not seem like such a big thing compared to the rest of the world, but every little thing you do contributes to the issue and can turn into something major.

**Scene 15. TEXT;** Pick up after yourself, take pride in Cal Young by keeping it clean, and help the environment.

**Scene 15a. TEXT;** Cal Young homerooms are now on a schedule for cleaning up the courtyard.

**Scene 16. CREDITS; Credit page**
