

Phylum/Class	Porifera	Cnidaria	Platyhelminthes	Nematoda	Mollusca	Annelida
Distinguishing Characteristics						
Examples						
Feeding						
Respiration						
Circulation						
Excretion						
Response						
Movement						
Reproduction						
Evolutionary Characteristics						

Phylum/Class	Chelicerata	Crustacea	Echinodermata	Insecta	Chondrichthyes	Osteichthyes
Distinguishing Characteristics						
Examples						
Feeding						
Respiration						
Circulation						
Excretion						
Response						
Movement						
Reproduction						
Evolutionary Characteristics						

Phylum/Class	Amphibia	Reptilia	Aves	Mammalia	Monoteremata
Distinguishing Characteristics					
Examples					
Feeding					
Respiration					
Circulation					
Excretion					
Response					
Movement					
Reproduction					
Evolutionary Characteristics
