

Room 12 News

October 17, 2014

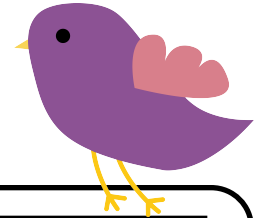

In Class:

*In the Friday folder, you should find a blue slip with your scheduled Parent-Teacher Conference time. I did my best to stay within the times you all indicated. However, if the time does not work for you, please email me and we will find a better time.

*In our class meetings, we have been talking about bullying. We have talked about a lot of strategies to stand up for yourself and for others without behaving badly yourself. Ask your child to tell you some of these strategies. We have also talked about the difference between reporting and tattling.

*Next week we will begin or second theme in reading: Nature Walk.

*In math, we are continuing our geometry unit. We are exploring rectangles and arrays.

Coming Up:

*Wednesday, October 29:
Halloween Celebration at school and evening parent/teacher conferences

*Thursday & Friday, Oct. 30, 31:
