## In Class:

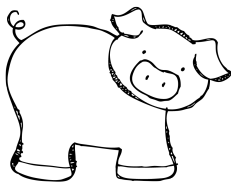

\*It was great to see so many of you at the Jog-a-Thon! It was a fun day!

\*There are several important items in the Friday Folders this week:

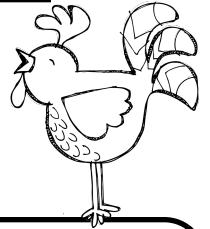

- new homework and spelling list
- information and individual user names and passwords for Spelling City and IXL Math
- parent/teacher conference sign up sheets; please return these by Thursday
- permission slip for Mt. Pisgah field trip; please sign and return promptly

\*We have practiced logging into and using Spelling City this week at school. When you log in, you should find our upcoming spelling lists. The one to study for this week is "George and Martha."

\*We have not used IXL in school yet, but if your child is already familiar, or wants to try it out, that would be great!
