In Class:

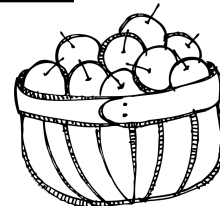

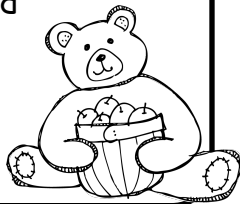

*I appreciate the great turnout for curriculum night. If you could not attend, you should find a purple packet that contains what I covered in your child's Friday Folder. If not, let me know and I can send another copy.

*Look in your child's Friday Folder for the first homework assignment and the first monthly reading calendar.

*Jog-a-Thon is this next Wednesday, October 1st! Try to get a few more pledges before then!

*We have begun our first science unit, Changes: Learning About Matter. Ask your child about our first "experiment," and have him or her read to you the book we made in class on Thursday.

*On Monday, we will begin our second math unit, Geometry. We will look at 2 and 3 dimensional shapes, and symmetry.

Coming Up:

*Wednesday, October 1:
Jog-a-thon

*Friday, October 10:
