

BUILDING 4J'S FUTURE: We want to hear from you.

Eugene's school buildings are aging. Most are more than 50 years old. Some are in need of replacement or major renovations. It's time to prioritize these needs and update the long-range plan for our schools.

We want to hear your views on how to proceed before making any recommendations to the school board. There are two ways to weigh in:

Provide input online

An online input form will be posted at www.4j.lane.edu beginning in late September.
