READ TO FEED

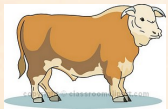

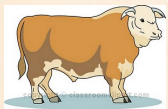

The BIG Picture

School-Wide Reading for the month of March. "March Madness Minutes"

Minutes will be totaled up as an entire school and sponsors will donate if we reach our goal.

Money earned will be distributed evenly among classrooms. Each classroom will choose the item they would like to purchase from Heifer.

Sponsors

Joel wrote a cover letter to hand out to sponsors explaining the who, what, when, and why's. The letters will go to Rotary Clubs, 20-30 Club, and local community businesses. If your spouse, friends, or family would like to be a sponsor, the more the merrier!

The idea is not to rely on our families for the \$\$\$. Their involvement will be to SUPPORT the reading at home! However, the Read to Feed offers the option to create an electronic Classroom Fundraising Page and I'm sure we'll put something on our website.

Reading Minutes

School-Wide goal for the month of March is to challenge each student to read 15 minutes 5x a week= approx. 120,000 minutes= 2,000 hours = 83 days!!! 83 days of reading in the month of March will give students the opportunity to feel what it's like to make a difference in our world.

Reading Train

© Can Stock Photo - csp7479542

Each classroom will receive 4 train cars. Students reading at least 75 minutes per week will sign their name on the train. Trains will be put up on a weekly basis. We'll have animals poking their heads out of the train cars. As the minutes come in on a weekly basis we'll have some sort of graph showing the number of minutes we are earning as a school.*Wendy Beard's Spring Break Reading Minutes will apply toward the Heifer Reading Minutes

What do I have to do as a classroom teacher?

Each teacher will receive a Global Education Resource Kit. The kit contains anywhere between 3 to 5 lessons, a book, and DVD's. See screen shot below.

Grades PreK-K Grades 1-2 **Grades 3-4** Grades 5-6 Grades 6 and Up

Resource Type	Title	Country	Content	Spanish Edition
Lesson Plan 1	Songming Settings	China	Language Arts	Lesson Plan 1
Lesson Plan 2	Three Rivers	China	Science, Geography	Lesson Plan 2
