

## Warm Up 4: Review

9-12-18

LT I can organize my homework packet and use it to answer questions for my study guide.

Q1. What do you need to do if you miss a lab or project?

Q2. What is the main focus of a conclusion?

Q3. How do you owe LeMay time at the end of class?

## Warm Up 4: Review

9-12-18

Q1. What do you need to do if you miss a lab or project?

Ⓐ1. Get excused slip and watch me mark it excused in the grade book.

Q2. What is the main focus of a conclusion?

Ⓐ2. To support or reject your hypothesis.

Q3. How do you owe LeMay time at the end of class?

Ⓐ3. Not have an answer after given time: 2 min  
Still talking after regroup refocus and breaking class rules: 15sec

LT

I can organize my homework packet and use it to study for an assessment.

Today's Plan

Warm Up 4: Review

Vocab

HW 5: HW Packet

HW 6: Study Guide

HW 7: Note Card

## Vocab 3 & 4

3) Independent Variable: variable that a scientist controls to change the outcome of an experiment. It affects the dependent variable.

Ex.

4) Dependent Variable: variable that changes due to independent variable. Typically what scientist has a question about.

Ex.

## Complete the Survey

Please read the directions and state your grade and Ethnicity

Place a check under yes if you have used this study skill this year

Place a check under no if you have not used this study skill this year

## HW 5: HW Packet

### Organizing your HW Packet

You DO NOT have to have the LECTURES, this is only to help you see how the Web Page lines up with the Warm Ups, Notes and Assignments

First paper, after cover page (HW 5: HW packet) is: Warm Up 1: expectation, Warm Up 2: Responsibilities, the last item should be Lab 1: Scientific Method.

Projects and Quizzes do NOT need to be in the HW Packet

Stopped here

Will finish tomorrow

## HW 5: HW Packet

### Grading:

#### Warm Ups

1 point for every question WITH an answer.

#### Notes

1 point for notes

2 points for 2 questions

2 point for summary

#### Vocab

1 point for definition

1 point for example

#### Assignments

Graded on effort

80% for for any late work.

## HW 5: HW Packet

Packets are due at BEGINNING of class tomorrow.

-As you find papers that go into the HW Packet, cross that item off from HW 5: HW Packet. This is actually homework, do this.  
If you have missing work, circle it. This is actually homework, do this.

-Go to the computer in the back of the room and print anything you need to complete your HW Packet.

-Once done, put in the packet and cross of the check list.

HW 6, will be graded while the HW packet is graded.

HW 7: Note Card will be graded while you are taking the Quiz

Please look through your:

**1) Warm Ups**

-Grading:

1 point for every question WITH an answer.

How many points did you earn?

-Studying

Read each Q and answer in your head, check if you were correct

End at: \_\_\_\_\_

Please look through your:

## **2) Notes**

-Grading:

1 point for notes

2 points for 2 questions

2 point for summary

How many points did you earn?

-Studying

Read your questions and try to answer them without looking at your notes, check notes to see if you were correct. Read Summary!!!

End at: \_\_\_\_\_

Please look through your:

### **3) Vocab**

-Grading:

1 point for definition

1 point for example

How many points did you earn?

-Studying

Read your definition and guess what word it is.

Read the word and state the definition

End at: \_\_\_\_\_

Please look through your:

#### **4) HW Assignments**

-Grading:

10 points for completion

Do you have all of your assignment in your packet?

-Studying

Please look through your Warm Ups, Notes, Vocab, and HW assignment and ask your table questions.

Take turns asking the question (like apples to apples), the first person to answer the questions earn a point

End at: \_\_\_\_\_

## HW 5: HW Packet

### Grading:

#### Warm Ups

1 point for every question WITH an answer.

#### Notes

1 point for notes

2 points for 2 questions

2 point for summary

#### Vocab

1 point for definition

1 point for example

#### Assignments

Graded on effort

80% for for any late work.

HW 6: Study Guide

HW 7: Note Card

Use your HW packet to answer the question on HW 6: Study Guide.

Once the HW packet is made, you **NEED** to make a note card with information you feel will help you on the assessment.

HW 7: Note Card will be graded as you take your assessment.

-It will be graded as a 0, 5, or 10, so make sure you put effort into it.
