

No Warm Up:

Please get your computer and research to find the answers to:

HW 8 Solar System

When completed, use your computers to answer any unanswered questions in Notes 3

Classify the planets into two groups, Terrestrial Planets and Gas Giants. List the planets and give a brief description on each planets' Atmosphere, Surface and Interior.

Define Terrestrial Planets:

1) -Atmosphere

-Surface

-Interior

2) -Atmosphere

-Surface

-Interior

3) -Atmosphere

-Surface

-Interior

4) -Atmosphere

-Surface

-Interior

Define Gas Giant Planets:

5) -Atmosphere

-moons and rings

6) -Atmosphere

-Moons and Rings

7) -Atmosphere

-Moons and Rings

8) -Atmosphere

-Moons and Rings

Name: _____ Period: _____ Date: _____

HW 8 Space Intro

Draw our Solar System, label the Sun and the 8 planets.
