Directions: Please pay attention while visiting the art gallery and answer using what you saw during your visit. Feel welcome to ask the docents questions about the art presented and how it was presented while on our FT.

1) How was art showcased? (Artist, Title, Placement, Category, etc.)

2) Did the placement of the art make sense? (random or placed by type of work, etc.)

3) What did you like the most about how art was presented and why?

4) What could have been done to improve on how items were presented? (at least one improvement)

5) What was your favorite piece and why? (please use Elements of art to explain your answer: line, shape, space, value, form, texture, and color)

6) If you had to set up an art exhibition, what do you think is important to include that Maude Kerns Art Gallery did well, and what would you do differently?

<sup>\*\*</sup>If you are planning not to attend, maybe you and the other students, who are not attending, can answer the questions based on your past experiences touring art galleries.
