

6th Grade Art Rotation Exploration with Miss Leslie

Greetings,

Due: Monday, December 10, 2019

I would like to take this time to let you know how excited I am to have this opportunity with your student, and how you can get a hold of me or find out what your student is doing this term. I look forward to trying new things with our 6th graders that will enhance their learning, improve skills, allow them to try new things, and help them succeed in elective choices in the next two years here at Cal Young.
