- Your Video must be between two and five minutes in length
- Brainstorm
- Lyrics must be written or typed and should include important details about the characters and original storyline
  - Use your “Story Map” worksheet to help you list facts about characters
- Use Storyboard to layout the shots you will be doing
- Video should retell important details of the story
  - Use your “Story Map” worksheet to help you
- Every member must have importance in the scene
  - Use your “Story Map” to help you organize your video

### Helpful hints:

- First, choose a **Scene** and **list characters** (don’t forget the narrator)
- Next, draw your images or use Comic Life to make a story board of important events in the video.
- Finally, liven up your video with a garage band track or a pre-recorded track
- You may want to use costumes or props for your scene

### Grade is based on:

- Following the above requirements
- Accurately retelling the important parts of the story through song
- Brainstorm, Story board & Story Map
- Conventions on story board and song (spelling, grammar, punctuation, capitalization)
- Creativity/Appearance

### Scene tips:

- Be sure that everyone has a part
- Know your lines – use loud, clear voice
- Be aware of your audience – can they see, hear, taste, smell, touch the action?
- Don’t forget props or costumes
- Pay attention to important details – what are they?
- Have fun and be safe
