PS1 Part Two Model

Scattering, Reflection, and Transmission
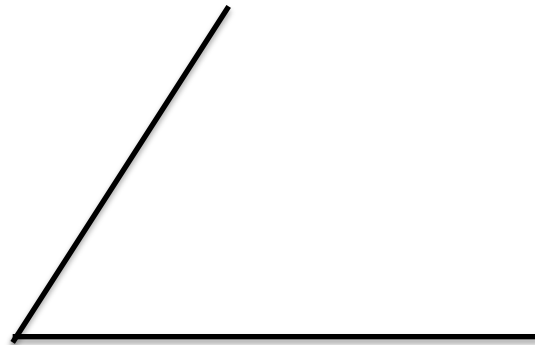

Name _____

Date _____

Period 2   3   5   6

Dashboard Cookies

<u>Draw</u> a model that shows how light interacts to allow a person outside of the car to see the cookies. Show the path light takes and include labels or a key.

<u>Describe</u> what is happening in the model you drew. For full credit, accurately use any variation of the following science words: scatter, reflect, and transmit.
