

MAP OF SPRING BREAK

With the paper provided, create a graphic or visual representation of your **spring break** from March 24, 2018 to April 1, 2018. The map will capture the highlights of your time and be an illustrative summary. Even if you think your spring break was uneventful, you can still map out your activities. Your map needs to have an organization to it and not just be a collection of doodles. The map reader needs to have a clear impression of your personal experience during break.

Requirements:

- > Title/ Cartouche
- > at least 10 visuals
- > color
- > labeling
- > Legend/ Map Key: brief explanation of graphics and overall map description
- > HAVE FUN WITH IT!! (A positive process will be evident in the final product :)

Example

It's a long journey to the writer's life, but it's worth it.
