SECTION 4

Friends

I love my friends.

School's

I went to Willagillespie Elementary School.

I go to Cal Young now. I will be going to Sheldon High School in 3 years.

Surgery

I lost the cartilage in my elbow because I was a cheerleader for so long. So I had to have surgery.

Favorites

In this chapter you will find out what my favorite things are like my favorite:

- Color
- Food
- Place To Travel
- And More Stuff Like That

Color

My favorite colors are pink
and purple.

Food

I love spaghetti.

Place To Travel

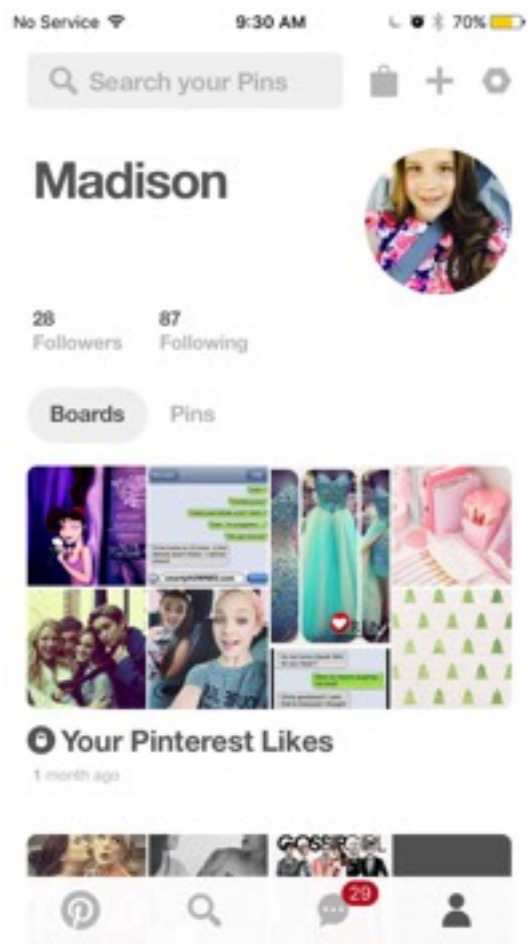

I love my memories in Texas. In Texas I got to see my papa and mama. My dad was born there so it is cool for my dad too. I have so fun on those trips to Texas. The last time I went there my papa had cancer. It was hard for me to go because I thought it might be the last time I get to see him. Before we were about to leave my papa said made sure to see him in the summer. He did a few weeks after that.

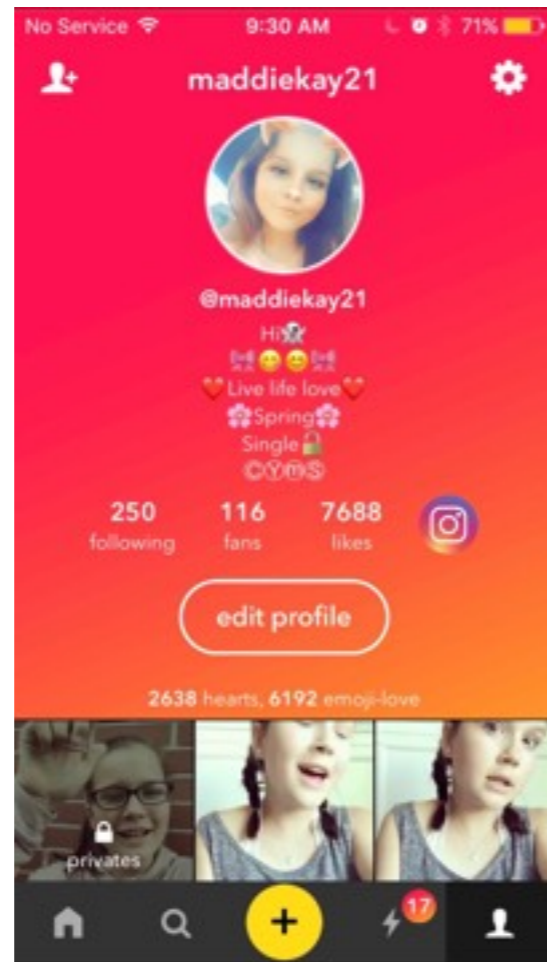

I love California because I have so many good memories in California like Disneyland, Sea World, My anut's house, and more.

SECTION 4

Social

I like Pinterest a lot because I can find cool things to do.

I like Musical.ly because I just like it.

I think Instagram is my all time favorite app.

Hobbies

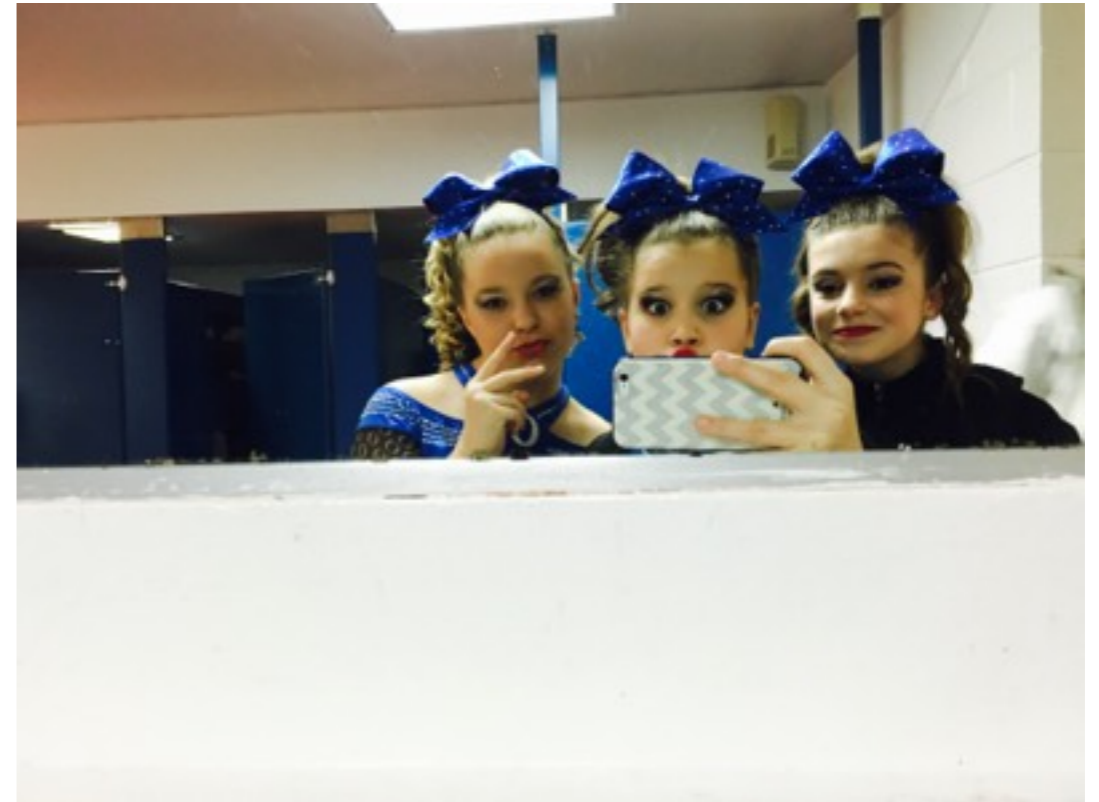

I have a lot of hobbies but it is hard to think of them on the spot.

- I Love To Do Sports
- Try New Things
- And More Stuff Like That

Sports

Dance

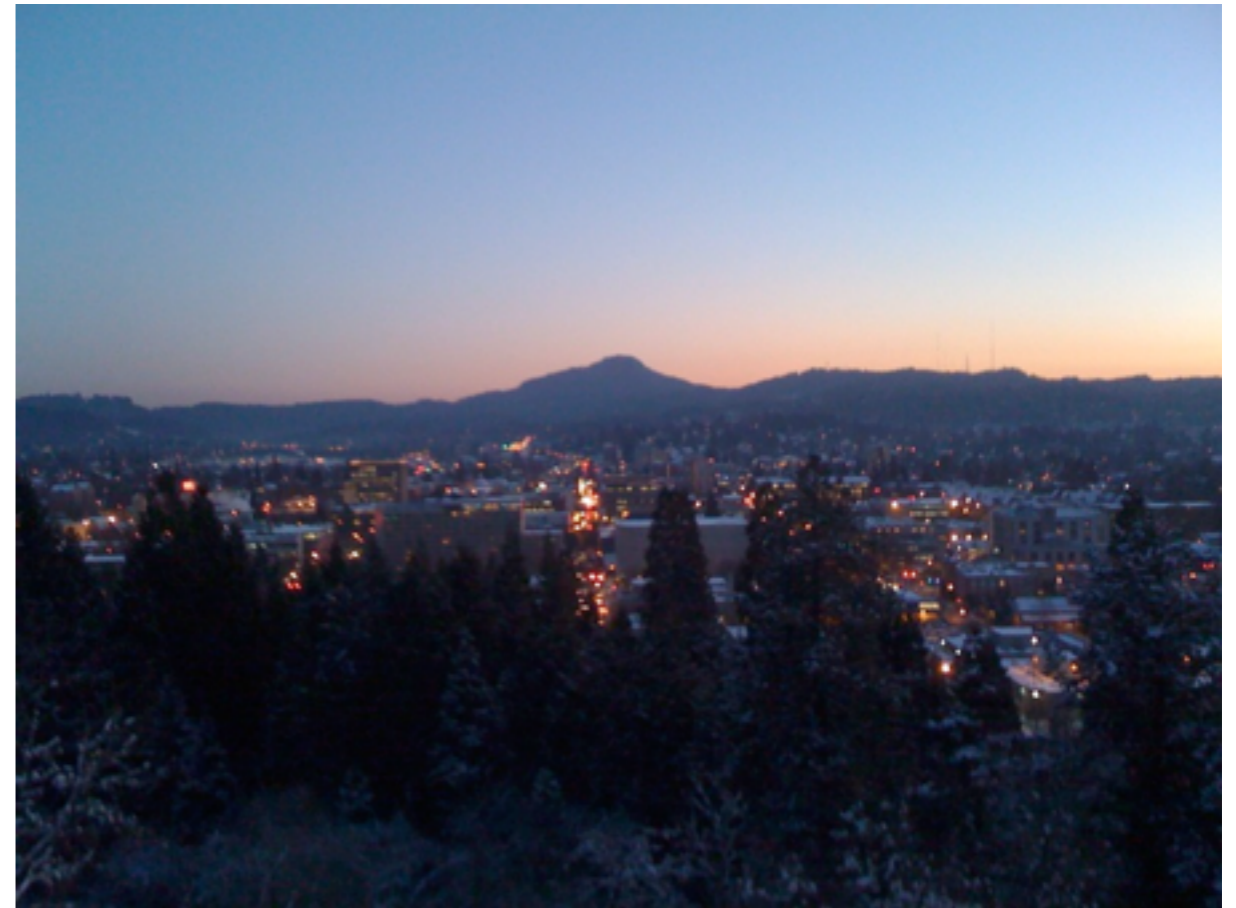

Cheer

Hiking

I love Spencer's Butte. That is one good thing about living in Eugene is the places you can go to hike. The views are so pretty.

This is Skinners Butte. It is just as pretty as any other place to hike.

Trying new Things

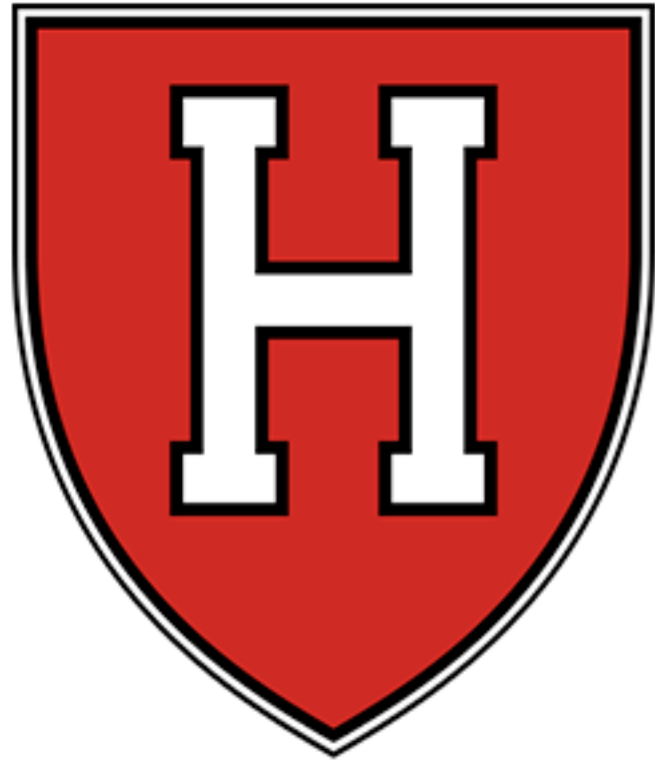

Once when I was Like nine years old I was in San Diego. I went to this Mexican restaurant and I ate a fish eye it was discusting but at least I can say I ate one.

Career

My career is really important to me.

Collage

I have wanted to go to Harvard and Yale ever since I knew what collage was.

Job

I want to be a Lawyer.
