## Learning in Kindergarten

**Reading:** Next week our focus will be on the letters Cc and Oo. We will continue work with beginning sounds in words. We will also continue work with rhyming and word awareness.

**Writing:** We will be practicing letter formation for the letters Cc and Oo. We will also be learning about sentence structure (Capitals and periods).

**Math:** We will continue work with numeral writing and we will also be counting and making sets.

### Reading Groups

We will begin reading groups this week. During our reading group time all kinders will be going to groups that suit their needs. This means that your child may be going to one of our other kindergarten teachers during our reading group time. This is a wonderful opportunity for the kids to learn at their own paces.

## Homework

Read nightly for 20 minutes

Complete this sentence (I see the \_\_\_\_\_.) and draw a picture to go with it.

Look around the house for different shapes and name them together. Talk about how many sides the shape has and how many of each shape you can find.
