Learning in Kindergarten

Reading: We will be working on writing capital letters over the next few weeks. We are also getting ready to become readers. We will continue to practice blending consonant-vowel-consonant words and we will be getting ready to dive into learning our kindergarten sight words (trick words).

Writing: We will be writing about friendship and kindness.

Math: We will continue work with teen numbers, addition, and subtraction.

Friendship/Valentines Day

On Valentines day we will be celebrating friendship and kindness. We will make cards at school to exchange, so please don't send your kinder with Valentines to pass out.

Homework

Suggested:

Read nightly for 20 minutes

Practice sounding out and writing these words. After you write them practice reading them a few times. Try and write a sentence using each word too! (cat, ten, big, pot, run)

Make a math subtraction story. Draw a picture, write an equation, and answer.
