Kindergarten News

Week of January 13, 2025

Learning in Kindergarten

Reading: We will continue working on blending and the sight words “I” and “see” this week. We will also begin a reading unit with a farm theme.

Writing: We have begun writing sentences in our writing journals. We are focussing on word spacing, using a capital at the beginning, and a period at the end.

Math: We are going to be focussing on Math discourse through the end of the year when doing math tasks. This just means being able to explain our thinking and how we came to a solution.

Farm Theme

We just began our second reading unit with a Farm theme. We will be reading stories over the coming months about farms and farm animals.

Important Reminders

January

15th: Conscious Discipline Parent Education Series (first in a series of 8)

Homework

Suggested:

Read nightly for 20 minutes

Try finding some of these sight words in a newspaper, magazine, or book at home. (I, see, a)

Use pennies, legos, or beans to show addition and subtraction problems. Write the equations you practice. Talk with your kinder about how they knew the answer.
