The Arts and Technology Academy
2009–2010 Recommended School Supply List

K - 5 Learning Community

K – 5 Supply Requirements

One very important aspect of school is student supplies. ATA will once again be ordering school supplies for K-5th grade students. We are requesting families to pay an additional classroom supply fee to cover the cost of the basic student supplies (for example: pencils, erasers, glue, markers, crayons, paper, etc.). Supply Fees are as follows:

Kindergarten: $10.00
1st -3rd Grades: $12.00
4th-5th Grades: $15.00

Having group supplies

✓ Allows us to replenish lost or used up supplies.
✓ Makes students feel that things are “fair” when everyone has the same.
✓ Is more cost effective when we can buy with educational discounts and in bulk.
✓ Makes sure that all students are prepared with exactly what they need.
✓ Gives us the opportunity to practice sharing.

The only items that you would need to provide for your students would be a backpack big enough for a 10” x 13” homework folder (folder supplied by the school). Students in Neshay’s and Darcy’s Homerooms (4th & 5th Grades) will need to purchase a 3-ring binder (1½” to 2”).
